Bard's 540-acre residential campus is situated in the beautiful and historic Hudson River valley and adjacent to 1,400 acres of nature preserve and a national estuarine sanctuary. The park-like campus is bordered by the Hudson River on the west; the Catskill Mountains, beyond the river, can be viewed from many student residences and from the grounds and gardens of Blithewood. The campus has more than 70 buildings, many designed by world-renowned architects, which range in architectural style from 19th-century stone houses and riverfront mansions to contemporary facilities. Shuttles provide regular service between the campus and the neighboring communities of Red Hook, Rhinebeck, Tivoli, and Kingston.
